

NY 2-637

IS
YOUR PHONE
TAPPED?

Immediate, confidential survey of your premises made without charge or obligation. Day or night. Detects illegal wiretaps on your phone or lines and hidden "bugs" anywhere in room.

- "Bugs" or taps cancelled out by our exclusive equipment: Permanently. On any phone, anywhere in world. Equipment available on sale or lease.
- Periodic security inspections on request.

SEMINAR WORKSHOPS demonstrate latest bugging techniques and counter measures. Inquire for registration dates.

For name of local representative, write or phone Bob Ariel.
